

Earn a Graduate Certificate in

Adult Teaching

Minimum of 12 credits • Offered in-person and online

The Adult Teaching certificate provides individuals the knowledge, skills, and dispositions to teach adult learners. The program also assists individuals to plan courses and workshops, and planning evaluation methods. This certificate is intended for individuals interested in teaching at the post-secondary level and within community settings (e.g., Extension education). The certificate is geared towards students with an interest in teaching adults in formal and non-formal settings.
