DETAILS AND RSVP: ETOKER@EMAIL.ARIZONA.EDU

WHY ATTEND?

If you are **pursuing a career**: Learn how creativity, innovation, and entrepreneurial thinking and leadership can help you become more competitive in the world of work.

If you are **interested in entrepreneurship**: Gain the tools and skills necessary to maximize your chances of success as an entrepreneur when the right opportunity presents itself.

If you are **interested in translating your research into impact**: Hear how researchers have taken their laboratory science to maximum social and economic impact.
